

**INSTRUCTIONS REGARDING ENGAGEMENT OF PART-TIME
INTERVIEWER/SUPERVISION AND OTHER CASUAL HANDS FOR
SURVEY AND RELATED ASSIGNMENTS OF AUDIENCE RESEARCH**

1. At the beginning of each financial year a panel of 40-50 part -time interviewers/investigators should be prepared by the unit. The names should be obtained from the department of social sciences in the Universities, Employment Exchange and other similar recognised institutions. This panel should be update every year by weeding out the undesirables/incompetent interviewers.
2. The minimum requisite qualification should be graduate with precedence to the postgraduates. The preference should be given to those who have some experience of fieldwork or research. For larger scale surveys, one of our units tried the method of making announcements over radio. This resulted in a very large number of applications, who were administered a test and those who cleared were selected. At times this procedure can also be adopted.
3. It should be made clear in writing, at the time of giving assignment to the part-time investigators that:
 - a) The assignment is purely of temporary nature and does not entitle then to any regular appointment and,
 - b) If their performance is not found to be up to the mark, their names will be dropped. In case of deliberate default, their payments can also be withheld.
4. The rate of payment for field work are normally decided by us, keeping in view the type of study, the places to be visited and the size of the questionnaire. For daily wages, however, we have agreed to a payment of Rs. 30/- per Manday, keeping in view the current situation. However, it will be the responsibility of the Audience Research Officer, to ensure minimum output from the casual investigators who are engaged on daily basis.
5. In future, it is advised that manual tabulation should not be assigned on the questionnaire basis, but by engaging people on daily basis. Again the minimum output should be ensured.
6. The part-time investigators should be engaged on rotation basis as far as possible, so that all the persons enlisted in the panel get equal opportunities. At the end of the assignment, a statement of the person engaged as part-time investigators, either for field work or for tabulation, should be sent to us accompanied by a Certificate that they were not related to the Audience Research officer or any other staff member, alongwith number of last assignment (s) during the year (financial year) by each person.
7. In case it is necessary to engage a person who is related, prior/approval of the Directorate should be obtained with full justifications.

8. The formation of the panel of the part-time investigator, should be entrusted to a committee of which Audience Research Officer will be the Convener and Station Director the Chairman.

9. For issuing formal sanction of expenditure of the Directorate, each proposal should be sent in the enclosed proforma.

These guidelines supersede all earlier instructions in this connection.

LIST OF PANEL (CASUAL / PART TIME SURVEYORS)

INTERVIEWED ON 15TH , 16TH & 17TH JUNE 2005
